By MR Shanthi Kumar Vemulapalli

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Background of this book writing: How to control cost for IT services - Startup Company Managing cost control for IT Startup Company Many startup based IT companies they run behind customers to get the business orders by holding the IT staff on bench. But when the customer budget is applied for IT cost cutting the so called IT vendors are burning their fingers in the industry. With reference to my close observations, I found lot of them does not follow the standards, where most of the IT corporates follow to have their cost control. I felt this small practice related content can help globally to IT startup Vendors to be aware of on applying the right process and standards by preventing their future unknown financial burning due to their customers business dynamics. This E-book contains the solutions for small or startup IT companies with the following contents and the relevant graphics to denote the content: Table of Contents Chapter One: Introduction Chapter Two: The need of financial management for a Startup IT Chapter Three: Questions...
