Angela has devoted her heart and soul, towards reaching the youth as well as adults. She captures a safe ambience with lyrics, in her poetic essence. Based on the fact that we all can relate to life s struggles. All we can do is take one day at a time and pray that we get the sources needed to survive. She expresses her poetic pieces, touching on issues dealing with love, hate, pain, and the satisfaction of finding peace. In a fun and intriguing way she wants to bring people together. By giving them a visual sense that in spite of what goes on in our lives, there is someone who does care. Knowing that God is always there as long as we stay faithful in pray. He will see us through the good times as well as the bad times. Her impelling graphics through poetry, will tangibly effect every emotion known to humanity. Life will always have its ups and downs; Keep in mind that it can always be worst. We have a lot to be grateful for. Believe in yourself and always put God first.
