This comprehensive reference monograph provides guidelines for students (particularly of African origin) who wish to study in Europe, North America and Oceania. It also caters for those who are already studying in these regions. It focuses on key aspects such as security tips, health, accommodation, networking, travels, preparation for departure, students visas, access to resources, internship, writing scientific papers, tips on studying, taking notes, writing term papers, theses, clothing, cultural shocks, tuition, internship, and transportation. Presented as a continuous narrative, this monograph is a key document for those with or without the Internet facilities. It is hoped that those who have them would work with it in tandem. It lists nearly all Western Universities, private and community colleges, cardinal literature that shaped the Western civilization and African cultures. Based on interviews, secondary sources, experience and observations, this work is scholarly with endnotes, an index...
