

Mod Lib Thinking Machine (Paperback)

Filesize: 7.19 MB

Reviews

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Joy Langosh)

Random House USA Inc, United States, 2003. Paperback. Condition: New. New edition. Language: English . Brand New Book. This irascible genius, this diminutive egghead scientist, known to the world as The Thinking Machine, is no less than the newly rediscovered literary link between Sherlock Holmes and Nero Wolfe: Professor Augustus S. F. X. Van Dusen, who--with only the power of ratiocination--unravels problems of outrageous criminous activity in dazzlingly impossible settings. He can escape from the inescapable death-row Cell 13. He can fathom why the young woman chopped off her own ?nger. He can solve the anomaly of the phone that could not speak. These twenty-three Edwardian-era adventures prove (as The Thinking Machine reiterates) that two and two make four, not sometimes, but all the time.
