Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Like most twelve-year-old boys, Reginald Deuce Tso isn't good at anything and doesn't have a clue. What else do you expect from a kid who got his nickname from a bad digestive episode in second grade? Children will follow our hero, Reggie, as he attempts to find his talents and place in the world through a series of strikeouts and successes. In the beginning, he believes that making the baseball team will change him from a middle school zero to a middle school hero. However, as Reggie's world expands through the discovery of his Navajo roots from his cold and evasive grandfather and the support of his misfit friends, he will realize that he is not a zero at all, but rather a hero who has much to offer the American-centric world he lives in and the Native American world he longs for. Readers of such popular middle grade books as *Counting by 7s* and *Wonder* will find Deuce Tso both endearing and funny. The book is a coming of age story of a young boy who is torn between fitting into a middle-class, suburban school and his grandfather's Navajo culture.
