

Abortion: Three Perspectives (Paperback)

By Michael Tooley, Alison M. Jaggar, Philip E. Devine

Oxford University Press Inc, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Moving beyond traditional liberal versus conservative arguments for and against abortion, *Abortion: Three Perspectives* is an up-to-date, accessible, and engaging exploration of this highly contentious issue. Featuring a triangular debate between four prominent moral and political philosophers, it presents three different political perspectives: Michael Tooley argues the liberal pro-choice approach; Philip E. Devine and Celia Wolf-Devine argue the communitarian pro-life approach; and Alison M. Jaggar argues the gender justice approach. However, each of the authors self-identifications is also challenged by one or more of the other authors, who offer alternative interpretations of liberalism, communitarianism, and feminism. All of these viewpoints are controversial, among both philosophers and general readers. Furthermore, because the arguments do not rely on religious authority, they are directed at all readers, regardless of religious affiliation. *Abortion: Three Perspectives* is divided into two parts: the authors first develop their ideas in depth and then briefly critique the other positions. Drawing examples from real life, they also integrate logic and empirical data into their arguments and consider views of abortion across other disciplines. As philosophers, the authors possess...
