Just for one moment, the Hindoo looked at his master with half-closed eyes; his consent had been merely a mechanical inclination of the head, and Agar Halfi was quite sure that the Sahib was not listening. Still, it was sufficient; such matters were always left in his hands, and really it was more a matter of form than anything else that he had asked. So without more ado he swiftly gave his orders to the half-dozen servants and carriers, and then busied himself in superintending the preparations for the evening meal. That, to his mind, was an important thing, for no man could work unless he were properly fed. Meanwhile the leader of this small party leaned thoughtfully on his rifle and continued to gaze absently toward the western horizon, as though fascinated by the vivid sunset. Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
