Soon to be an original series on Syfy, from executive producers Gale Anne Hurd ( The Walking Dead ) and Natalie Chaidez ( 12 Monkeys ) and Universal Cable Productions. Premieres April 2016. Alien Hunter is a searing new novel from New York Times bestselling author Whitley Strieber. A young wife disappears in the night, never to be seen again. There is no evidence of kidnapping in fact, everything indicates that she left on purpose. Her husband, a brilliant police detective, cannot believe this but he also can't find her. Flynn Carroll's lost love becomes his obsession. He begins amassing a file of similar cases nationwide. His conclusion is unavoidable: somebody is taking people and making it look like they walked out on their own. As Flynn's case files grow, his work comes to the attention of Special Agent Diana Glass, a member of the most secret police unit on the planet. This police force seeks the most brilliant and lethal criminals who have ever walked free: thieves and murderers from another world. Without fully understanding what Glass and her team are doing, Flynn steps into a hidden world of extraordinary challenge and lethal danger. The job is the most difficult police assignment ever known to man, but the idea is the same: find the bad guys. Stop them.
