In reality the worst is yet to come. A decline in condition along with being attacked by several life threatening illnesses leads to Amber s future hanging in the balance. Katy is faced with a decision to either let her go or fight for her. Why has this happened to you? I asked her desperate for some sort of answer. Her small head was bowed low and her bottom lip trembled. This wasn t her; it didn t feel as though she was still alive. Her body was here but her mind and spirit were gone. How could I possibly make this decision? The facts and my head said to put her down, but right now the facts weren t good enough and my heart felt that she deserved more. Katy has the best possible support team behind her to fight for Amber s life. This then begs the question can they do it? Will Amber live?.
