Add it to an Easter basket! Use colored pencils, crayons, inks, gel pens, markers, whatever you want, or mix it up and use them all! There are no rules. There are suggestions, though: Some markers and paints may bleed through the pages. To avoid damaging other pages, use a barrier sheet between pages, or remove the page from the book before coloring. Why do folks prefer my coloring books over some others? Here's the secret. . . All of my coloring books are printed single-sided, so you don't have to worry about colors showing through the back side, or smudging against each other face-to-face. Plus, no more deciding which side you like better if you want to remove it from the book. Each page is meant to be enjoyed on its own. This item ships from La Vergne, TN. Paperback.
