C. Press/F. Watts Trade, 2015. Paperback. Condition: New. Language: English . Brand New Book. For hundreds of years, humans dreamed of flying through the sky they way they saw birds do. Since the first successful flights in the early 20th century, air travel has grown to become one of the worlds most important methods of transportation. Readers will trace the history of commercial air travel and find out how todays engineers and scientists are revolutionizing the field. They will also find out what it takes to build their own careers in this fascinating field.
