

## The Correspondence of Erasmus: Letters 1535-1657 (1525)

Filesize: 1.78 MB

### **Reviews**

*Basically no words to describe. It is filled with knowledge and wisdom I am just pleased to let you know that this is actually the greatest publication i have read within my individual lifestyle and may be he best publication for at any time.*  
**(Prof. Ron Gaylord II)**

## THE CORRESPONDENCE OF ERASMUS: LETTERS 1535-1657 (1525)

University of Toronto Press. Hardback. Book Condition: new. BRAND NEW, The Correspondence of Erasmus: Letters 1535-1657 (1525), Desiderius Erasmus, Charles G. Nauert, Alexander Dalzell, The Peasant's War in Germany and his own ill-health combined to keep Erasmus confined to the city of Basel during 1525, but he was still able to maintain an active correspondence spanning all of Europe. In the preceding year, he had published *De libero arbitrio*/Freedom of the Will, his first open attack on the teachings of Martin Luther. Despite this public defence of Catholic doctrine, Erasmus was continually forced in his correspondence to reply to open or veiled attacks by Catholic critics. Erasmus directly addressed one of his critics, Noël BTda, of the Paris theological faculty, in the spring of 1525. BTda was preparing analyses of Erasmus' publications that would eventually form the basis for a formal condemnation. Erasmus' correspondence with BTda, intended to head off such a condemnation, continued past 1525 and became increasingly hostile in tone. That same year, Erasmus also followed up reports that an influential Italian humanist, Alberto Pio, Prince of Carpi, was circulating at the papal curia a manuscript accusing Erasmus of being the major source of Luther's errors. Again, he directly addressed his opponent in order to prove his orthodoxy and to urge (in vain) that no such attack be published. In both cases, however, despite his break with Luther and his public and private opposition to the Protestant leader Oecolampadius in Basel, he was unsuccessful in turning aside the hostility of his Catholic critics.
