Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

MISS CHOPSTICKS

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Miss Chopsticks, Xinran, Esther Tyldesley, Sisters Three, Five and Six don't have much education, but they know two things for certain: their mother is a failure because she hasn't produced a son, and they only merit a number as a name. Women, their father tells them, are like chopsticks: utilitarian and easily broken. But when they leave their home in the countryside to seek their fortune in the big city, their eyes are suddenly and shockingly opened. Together they find jobs, make new friends, and learn more than a few lessons about life.
