Why are there so many wonderful, amazing, intelligent women who never quite figure out how to lose weight, and most importantly how to keep it off? It s because many of them are making one of the most common critical mistakes, this is the same mistake my wife and I made for most of our adult lives, and maybe you re making too. It s attempting to change behavior, as the same person. Look at almost every weight loss or diet program out there and you will notice that they put the focus on the WHAT instead of the WHY. They have you put your energy, focus, and attention on WHAT you re eating as instead of WHY your eating what your eating. this is approach is flawed. my wife and I lost over 100 pounds and kept it off for over 9 years, once we learned to shift our focus. What if everything they told you about weight loss was wrong? What if the lasting, sustainable weight loss you re looking for has little to do with the specific diet or exercise program you re on and everything to do with how you show up to them? What you currently believe - about weight loss, about yourself, and about your abilities - becomes a self-fulfilling prophecy. In other words, you...
