AGRICULTURAL TRADE HIGHLIGHTS: JULY 1991 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Agricultural Trade Highlights: July 1991 Rice exports rebounded in May, up 44 percent, to \$72 million. Prices have risen from recent levels and are higher than last May as the end of the marketing year approaches and domestic stocks are limited. However, so far this fiscal year, exports of rice are down 14 percent in value and 4 percent in volume. For May, exports to Liberia, Jamaica, the Dominican Republic, Brazil, the EC, and Poland were all up between \$2 million and \$5 million, while exports to South Africa and Saudi Arabia were up \$8 million. Decreases were reported for Jordan (down \$9 million), Senegal, and the Ivory Coast (down \$4 million each). Unmanufactured tobacco exports in May were up 65 percent to \$205 million. May's performance leaves year-to-date exports at \$1.1 billion, up 9 percent from last year. Increases to Japan (up \$40 million) and Turkey (up \$32 million) accounted for most of the gain. With the exception of Taiwan, the value of shipments are up to all five major markets so far this year. At \$336 million, exports of soybeans and products were up \$80 million (31 percent) from last May. Strong soybean exports of \$246 million (up 66 percent) more than offset lower soybean oil (down 5 percent) and soybean meal (down 50 percent) shipments. Exports to Japan (up \$35 million), Korea (up \$25 million), Mexico (up \$21 million), and the EC (up \$12 million) raised values above May 1990 levels. There were no reported exports to Pakistan for the month, down from \$19 million last May—exports to Pakistan, which accounted for 50 percent of soybean oil shipments in fiscal 1990, are down...
