101 Ways to Score Higher on Your SAT Reasoning Test: What You Need to Know Explained Simply

By Marti Anne Maguire, Jaclyn Bissell

Atlantic Publishing Co. Paperback. Book Condition: new. BRAND NEW, 101 Ways to Score Higher on Your SAT Reasoning Test: What You Need to Know Explained Simply, Marti Anne Maguire, Jaclyn Bissell, Each year millions of high school students dedicate a Saturday morning to taking the Scholastic Aptitude Test, more commonly referred to as the SATs. These tests are important because 92 percent of colleges require applicants to report their scores. In 2008 the average score for critical reading was 502, for maths 515, and for writing 494. How can you boost your scores and stand out from the crowd when applying to college? Reading this book and employing the practices found within, is one way to do so. In this new book, you will learn about and understand the scoring system, as well as the format and content. You will learn how to read questions correctly, how to control your anxiety, and how to approach each section. In addition, you will be presented with a list of resources to help you prepare and dozens of teacher-recommended strategies. The book is filled with maths, English, and writing practice questions; step-by-step instructions on writing an effective SAT essay; reviews of critical reading,...
