

Conspirators of Gor

By John Norman

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English. Brand New. Picking up where the alien war between Kurii and Priest-Kings left off, a young woman by the name Allison Ashton-Baker, involved in playing Gorean games on Earth, is transported to Ar to become a major witness of the unfolding events. We meet again with Lord Grendal, the result of a failed experiment to mix the genes of humans and Kurii; the Lady Bina, former pet of Agamemnon, she who dreams of becoming Ubara of Ar; and Agamemnon himself, 11th face of the Nameless One, the illustrious mastermind behind the Kurrian invasion. Packed with action, and, as usual, presented with a spicy dressing of cultural relativism and critical remarks on modernity and gender relations. John Norman s epic Gorean Saga is one of the longest-running and most successful series in the history of fantasy. It is also one of the most controversial. Over the course of more than 30 books produced over a span of six decades, the series has sold millions of copies and built legions of fans unrivaled in their devotion.

Reviews

The ebook is simple in go through safer to understand. I could possibly comprehended every thing out of this composed e pdf. Its been designed in an exceptionally basic way in fact it is only soon after i finished reading this pdf by which actually altered me, modify the way i really believe.
