THE SKY THROUGH THE HOLE IN THE BONE (HARDBACK)

Xlibris Corporation, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Set in the last days of a still Bohemian Greenwich Village, this memoir is the story of a young girl's awakening and growth, told through letters and journal entries. Her adventures lead to a summer working with Georgia O'Keeffe, encounters with several artists before their fame--Wilhelm and Elaine deKooning, Franz Kline, Joachim Probst, writer Maxwell Bodenheim and later, Joseph Heller. The year is 1942, the time of the second World War and the beginning of recovery from the Great Depression. Defense plants are booming; meat, sugar, and butter are rationed, as well as gasoline. Government ration books are a must, the draft is on and young men are being conscripted into the service. For the first time, women are allowed to work at men's jobs. Marjorie, not yet twenty-one, uncomfortable with men, decides to become a lesbian and devote her life to writing. She considers herself a poet, and escapes much of the influence of the war by moving to Greenwich Village. But when she becomes involved with a group of artists and loses her virginity to Joachim (Jack) Probst, a member of the group, her lesbian dreams fade. Probst renames her Carol, her middle name, and they live together for two years. Wickie, her best friend, and recipient of most of the early letters, is the opposite of Marjorie, now Carol. Raised in Europe, the daughter of an ambassador, Wickie is sophisticated, worldly, secure in her self-image. Carol is curious, adventurous, uncertain, insecure. She met Wickie while she was selling magazines cross-country and they became instant friends. She expects someday to be transformed, to automatically become very wise. The magic age is thirty. Her life with Probst...
