Reviews

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

HOW TO CONJURE A MAN

Samhain Publishing. Paperback. Book Condition: New. Paperback. 220 pages. Dimensions: 8.5in. x 5.3in. x 0.7in. When all else fails, what's a girl to do? Conjure your own man, of course! Becky Blake is through with vibrators. Well, to be honest, her vibrators through with her. The damn thing actually conked out, mid-fantasy. Time for desperate measures. Armed with thirty pounds of candles and a spell created by her best friend and strip mall witch, she heads into the desert to conjure a man. It's freezing, dark and more than a little creepy. On top of that there's a coyote hanging around howling loud enough to scare her to bits. Please, let this spell work. Rick Frazier's done with manipulative women. His ex-wife is bleeding him dry. His wallet is almost as hungry as he is. It's time to get a second job, as a bartender at The Buckin Bronco All Male Review. At least it will pay the bills until he sells his software program. Back in the real world of work and lonely routine, Becky has nothing to show for her desert efforts except an erotic dream that leaves her more frustrated than fulfilled. That is until her new employee shows up. It doesn't take long to put two and two together. Rick, her new bartender, is the man she conjured in the desert. Their chemistry is magnetic, drawing them together in a lightning blast of hot passion and incredible sex. Is this true love or the result of a magic spell cast on a cold dark night? Warning, this title contains the following: explicit sex and graphic language. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
