Once you have begun having sex, there is a strong desire to explore and see just how many ways you can find that we can fit together with no pieces left over. You don't need any sex swings, straps, pulleys or cranes to make them work. Two horny people and a comfortable place will suffice. In addition to not needing anything special to assume these positions, this book also will present in practical terms, the strengths and weaknesses of the positions in no nonsense, easy to understand terms. This is exactly the book you need to spice up your bedroom antics and create...
