## RSPB SPOTLIGHT: ROBINS

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, RSPB Spotlight: Robins, Marianne Taylor, Our most iconic bird, the Robin, is one of the most characterful and familiar of all our garden visitors. Their melodious voices, bright red breasts and cheeky attitudes always endear them to us, but how much do we really know about them? Despite their cute appearance, Robins are aggressively territorial and hold their territories all year. Their year-round presence has helped them become a beloved and instantly recognisable species. Now, in this delightful new book, Marianne Taylor provides a revealing account of their life cycle, behaviour and breeding, what they eat and how they hold their territories, and she looks into the many cultural representations of these much-loved little birds. The Spotlight series introduces readers to the lives and behaviour of our favourite animals with eye-catching colour photography and informative expert text.
