Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The complete, clever way to discover the power of blockchain and its consequences! Blockchain is an often-misunderstood technology. It has been a hype, a thing in the past, and many people are talking about it. But what is it? How do you use it? What consequences does it have? All of these questions and more will be answered in this book. The expert/author wrote, among others: How blockchain is different from bitcoin (and similar to it). The domino effect blockchain causes on banks, institutions, corporations, and governments. Contracts, apps, and financing strategies to utilize blockchain to your advantage. Elaborate and controversial thoughts about the development and future of blockchain. Legal implications and economical effects of blockchain. Barriers and challenges, as well as simple ways to overcome those. Curious yet? Then don't wait and start reading. Save yourself the time of figuring this all out by yourself and learn from what has worked for many others.
