Biblioscholar, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Between 1993 and 1995, while serving as the secretary of the Canadian Land Force Doctrine and Tactics Board, the author participated extensively in the process of doctrinal change which eventually resulted in the publishing of new capstone operational and tactical level doctrine manuals in 1996-1997. These manuals introduce manoeuvre warfare as the official doctrine of the Army. Adoption of manoeuvre warfare came after years of sporadic debate over revision of the 1985 Combat Systems Studies - which focused exclusively upon a defensive scenario in central Europe. The end of the Cold War and the withdrawal of Canadian troops from Germany in 1993 made the operational context of the Systems Studies irrelevant, leading to a search for new doctrine. The theory of manoeuvre warfare emerged as an attractive alternative. This monograph examines whether or not manoeuvre warfare is an appropriate operational doctrine for the Canadian Army in 2000 and beyond. The research emphasized a counterintuitive approach, critically examining the theory of manoeuvre warfare by investigating its origins and evolution in western military thinking. Four categories of documentary evidence were utilized: contemporary doctrine publications (US, British and Canadian) allowed comparison of current definitions and roles of military doctrine; published works of modern military history helped to determine the historical role of doctrine in the preparation of armies for war and the legitimacy of manoeuvre warfare as a distinct style of war; the published works of prominent military theorists are used to substantiate the theoretical foundations of manoeuvre warfare and its role vis-a-vis operational art; and contemporary Canadian policy and doctrine publications were reviewed to establish how relevant manoeuvre warfare is to Canada s strategic goals and to current operational realities. An analysis of the role...
