One Second Math: Homework Help On Demand

By Don Sevcik

Lioncrest Publishing. Paperback. Condition: New. 322 pages. Dimensions: 8.5in. x 5.5in. x 0.7in. Don Sevcik found a unique way to use his love of math to launch a profitable career and help tutor thousands. It started when he used math homework tutoring as a diversion from his corporate job. As a result, Don has become one of the worlds go-to math tutors and an expert in building a thriving web-based business. This book doesnt just tell you how Don built the online math tutor MathCelebrity, it teaches you how to do something similar for yourself. For example: Learn how to build a website that answers and solves math homework problems automatically Read the survey that turned conventional theories of students and math on its head Discover the lucrative reason why parents should encourage math class results, even if their child is not a math major Learn the secret that Don has kept for eight years on how to recognize thousands of math problems in a search engine Understand how to work a side business while at a full-time job The second half of this book contains the an extensive listing of math formulas and shortcuts from second grade through college. Whether youre looking...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
