Shakespeare Now! is a series of short books of truly vital literary scholarship, each with its own distinctive form. Shakespeare Now! recaptures the excitement of Shakespeare; it doesn't assume we know him already, or that we know the best methods for approaching his plays. Shakespeare Now! is a new generation of critics, unafraid of risk, on a series of intellectual adventures. Above all - it is a new Shakespeare, freshly present in each volume. In *Godless Shakespeare*, Mallin argues that there is a profound absence of, or hostility to, God in Shakespeare's plays. It is clear that Shakespeare engaged with and deployed much of his culture's broadly religious interests: his language is shot through with biblical quotations, priestly sermonizing, Christian imagery and miracle-play style allegory. However, he claims that a counter-discourse also emerges in the works, arguing against God, or the idea of God. This is a polemical account of the absence of God and of belief in the plays, and of how this absence functions in theatrical moments of crux and crisis. Following Dante's three-part structure for the *Divine Comedy* - the first part (*Inferno*) represents expressions of religious faith in Shakespeare's plays, the second (*Purgatorio*) sets out more sceptical positions, and the last (*Paradiso*) articulations of godlessness. The discussion focuses on the moral and spiritual dilemmas of major characters, developing the often subtle transitions between belief, scepticism and atheism and suggesting that there is a liberating potential in unbelief.
