Banner Publishing. Paperback. Condition: New. 80 pages. n December 23, 1966, Dr. Gary and his sister were heading home, as they were singing Christmas songs as the car crashed headlong into the illegally parked tow truck protruding into their lane of traffic. Dr. Gary died and went to heaven for twenty minutes. He saw the following: the city of heaven; the grand auditorium; the spare parts room; the Throne Room; and his personal mansion. Jesus gave Dr. Gary ten signs leading to His return that will amaze you! Youre about to witness, through this book, a living, breathing miracle. I first heard Dr. Gary Woods astound-ing testimony while attending a Full Gospel Business-mens meeting as a young believer more than twenty-five years ago. His account of Heaven and the corre-sponding wonders of resurrection and restoration made an indelible mark on my life. As I played the cassette of his message for family and friends, many were saved; all were changed. Still in my library today, this time-honored report amazes and thrills me as much now as it did then. All these years later, I am honored to be Dr. Woods pastor. Beyond his testimony, I can tell you he lives a life of holiness and integrity. He truly carries Heavens touch everywhere God sends him. Let the words of this book change your life like they have mine. Sincerely, -Dr. John W. Greiner, Pastor Glorious Way Church This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
