## Economic Espionage and Industrial Spying

By Hedieh Nasheri

Cambridge University Press. Paperback. Condition: New. 288 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. Hedieh Nasheri investigates the current state of industrial espionage, revealing the far-reaching effects of advances in computing and wireless communications, in view of the recent revolution in information technology. Synthesizing perspectives from leading national and international authorities, Nasheri analyzes the historical and conceptual foundations of economic espionage, trade secret thefts, and industrial spying. She demonstrates how these activities impact society, and tracks the legislative and statutory efforts to control them. The international ramifications of economic espionage are emphasized and more than 40 accounts of noteworthy cases and episodes are included. Hedieh Nasheri is a professor of Justice Studies at Kent State University and a Visiting Professor at the University of Turku Law school in Finland. She has written and lectured extensively in the areas of law and social sciences and has given a number of invited lectures nationally and internationally on a wide range of policy and law related topics. She is the recipient of several international awards and grants. More recently, she received a grant from the State Department of the United States for studying issues related to Organized Crime, Terrorism, and Proliferation of Weapons of...
