The Financial Cost of Capital Punishment in the United States of America

By Julia Katharina Jansen

GRIN Verlag Feb 2012, 2012. Taschenbuch. Book Condition: Neu. 210x148x5 mm. This item is printed on demand - Print on Demand Neuware - Bachelor Thesis from the year 2011 in the subject Business economics - Law, grade: 1,0, Berlin School of Economics and Law, language: English, abstract: Awareness surrounding the financial burden of capital punishment is increasing and slowly beginning to permeate the American Society. However, not enough light has been shed on the sources that are causing the financial devastation. The death-is-different legal doctrine in the United States grants procedural protection that is unique for capital litigation providing individual consideration for each case. The paper investigates the price increase by capitally adjudicating a case compared to a non-capital litigation. Looking at the economic side of the impact of legal statutes should contribute to the discussion about choosing alternative punishments, such as life incarceration without the possibility of parole, and the systems' improvement prospects or the lack thereof. In the aftermath of a severe economic crisis and with ongoing financial solvency crises of interdependent nations, cost cutting considerations become all the more essential. Further, it is Time to consider whether maintaining the costly death penalty system is being smart on...
