

Kabbalah Concepts

By Rabbi Raphael Afilalo

Kabbalah Editions. Paperback. Condition: New. 272 pages. Dimensions: 21.3in. x 14.4in. x 0.8in. The goal of this book is to provide a genuine picture of the true Kabbalah. The study of Kabbalah involves a good comprehension of its general idea, as well as its concepts. The Kabbalah explains often allegorically, the beginning of creation as well as all the dynamic systems that are put in place to interact with man, and for the guidance of the worlds. These systems make us understand the purpose of our actions, their interactions with the superior realms, the hidden messages and meanings in the Torah. With a deeper understanding of the reasons and goals of all these actions, one could definitely ascend to a higher level of service and closeness to his Creator. In this book, the reader will find most of the basic concepts as well as some more advanced, to get on the right path of truly understanding the Kabbalah. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

The best publication I actually study. I actually have studied and so I am confident that I am going to likely study once more yet again later on. You will not sense monotony at any moment of your respective time (that's what catalogs are for relating to if you ask me).
