THE WALLED GARDEN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Revised, Expanded. Language: English . Brand New Book ***** Print on Demand *****. The Return to the Great Tradition: a master of modern English. Quarterly Review a marvelous book, the work of a master glorifying the Master of All. University Bookman a fascinating, and unusual combination of different elements. the city landscapes were particularly powerful. Alison Brackenbury There s a great honesty driving through the collection which is always impressive. John Powell Ward very fine: there s a confidence and rooted maturity about them; and nothing ornate! Peter Mullen convey a gentle Christian vision, pertinent to the world in which we live Roger Scruton very much resemble the vision of my husband. Annette Kirk verse has a welcoming simplicity John Saward an ear for beautiful things! Fiona Sampson a Catholic Geoffrey Hill? Aidan Nichols wouldn t it be charming to sit down with a new book of poetry and be able to appreciate its beauties as well as its mysteries? To find that, after all, it is possible to disentangle meanings from complex syntactical configurations, and that, perhaps, looking up the occasional word is not so painful as originally imagined? If only there were a modern book of poetry, accessible enough to understand with a bit of work, that was written with a sincere sense of the true and the beautiful. That would be worthwhile. [This] is just such a book. St Austin Review.
