

## Geography of the British Isles (Classic Reprint)

Filesize: 3.17 MB

### **Reviews**

*The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basiclly changed me, change the way in my opinion.*  
*(Madyson Rutherford)*

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Geography of the British Isles Some words of explanation may be offered in adding another to the long list of already published Geographies of the British Isles. The present little work has been prepared in accordance with the plan of instruction advocated in my Teaching of Geography. It is mainly designed for children who have already acquired an elementary knowledge of what geography is, not from class-books, but from practical instruction based on the topography of their own district. As the map must ever be the groundwork of lessons in geography, this class-book is written as a kind of guide to the map, and is not meant to be used merely by itself as material to be learnt by rote. In the class-room the large wall-map will be constantly referred to, and at home the pupil will have his little hand-map or atlas. The cheap elementary atlas prepared in connection with the present Geographical Series by Mr. Bartholomew will be found of essential service in the following lessons. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
