

New Megiddo Rising: An Apostates Novella (Paperback)

By Lars Teeney

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. At the Dawn of the Texas Republic declaring independence from Mexico, New Megiddo was born. Created by a death cult led by the Reverend Brigham Wainwright, who actively worked to flood the empty, barren land with his American followers; undermining his Mexican overlords. Fast-forward several centuries and America has become New Megiddo, a theocracy run by the Schrubb Administration, where order is kept using the technology of the [Virtue-Net] to feed the Reverend Wilhelm Wainwright s sermons to the minds of the people. In the slums, the humble beginnings of an insurgency of Apostates take shape. The cruel and clueless policies of the Church of New Megiddo and the ruling Regime push the disenfranchised masses one step closer to all-out rebellion.
