Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.

Black Kettle Books, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A spoiled, intemperate Hollywood actress blows into beautiful Los Cabos, Mexico, churning up everything in her path-not least the becalmed career of private eye Ethan Cruickshank. Scarred by a hellish childhood ordeal, Ethan has always wielded his tough-guy insouciance like a shield, screening off a vulnerability that lately-since wife Dina's death-has pushed him into the emotional equivalent of a tropical depression. He needed something to jar him back into action, but this particular case and this sexy-if predacious-client were not what he had in mind. A tabloid bad-girl whose real life misadventures have overshadowed her inconsequential roles, Rio LeDoux is desperate for a comeback. Her business manager tabs Ethan to keep the star safe and fend off further scandals. Playing glorified babysitter on a location movie set isn't his thing, but when the case suddenly evolves into a missing-person hunt, Cruickshank returns to peak form. Danger gathers like storm clouds just beyond the lovely Baja horizon as the investigator races to solve two mysterious disappearances while a Pacific hurricane bears down on the peninsula resort. Full of suspense and surprises, Cabo Storm delivers a Category 5 wallop. Fans of author Robert Wisehart, as well as newcomers to his Cabo series of thrillers, won't want to miss this new Ethan Cruickshank adventure.
