PartridgeIndia. Paperback. Condition: New. 60 pages. Dimensions: 9.0in. x 6.0in. x 0.1in.The reader will be exposed to a spectrum as wide as a rainbow in the sky. There is depth and sensitivity touching our sensibilities in Horizons because it is a gamut of emotions from a Tribute to Van Gogh-a challenged mind trying to break the shackles to Pansies being a symbol of hope and reverence for all. While children would be enthralled with puppets and goblins making a mark on them all, this is just the beginning of the journey to an unforgettable end. Nature in close proximity finds a place close to my heart with a cry in the dark to save the tiger at large. The book strives to raise issues of conservation culminating into a loud call. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
