CCB Publishing. Paperback. Book Condition: New. Paperback. 250 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. When presumably heterosexual spouses turn out to be gay, lesbian, bisexual, or transgender, the unexpected revelation overshadows its devastating impact on their straight wives and husbands. Unseen-Unheard opens the window on their remarkable journeys from trauma to transformation. What would you do if your husband said he'd fallen in love with a man or thinks he might be gay or bisexual, or you discovered your wife's texts, photos, or emails indicating she has a female lover and wonders if she might be lesbian or bisexual? Well, this happens, a shattering reality that at least two million men and women have faced and tried to understand and accept, even as we were unseen and our voices unheard. Who are we? We are husbands and wives left behind when our spouses came out or after we discovered they were gay, lesbian, bisexual, or transgender. Shocked and paralyzed, swirling in the devastating wake of our beloved's revelation, we had to pick up unrecognizable pieces of our former lives and try to reconfigure them without much outside support, recognition, or understanding of the depth of the crisis. Yes, straight spouses typically cope alone with unique issues of sexuality, betrayal, and broken belief systems. Slowly, we redefine ourselves, create new lives, affirm the joy of living, and reap life's infinite possibilities. We invite you to walk with us and experience our journey from the first desperate cries of discovery or disclosure to insights and wisdom gained as we resolve our issues and transform our lives. As you observe and listen, we hope you will embrace the courage, creativity, and resilience of our strength, which we didn't know we had, yet was so powerful that lifelong habits were broken and we uniquely...
