

## Developing Resilient Organizations: How to Create an Adaptive, High-Performance and Engaged Organization (Paperback)

By Doug Strycharczyk, Charles Elvin

Kogan Page Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Much of the fear and uncertainty surrounding the global recession is concerned with the adverse impact it will have on organisations and society. However, recessions are nothing new. We know from past experience that when a recession is over, there always emerge organisations and individuals who have not only survived but have thrived. They often emerge stronger, fitter and better performing. Developing Resilient Organizations argues that one of the fundamental keys to survival in these circumstances is resilience or mental toughness. It can make challenge and change an opportunity rather than a threat. The book addresses a wide variety of organizational issues including motivation, performance, staff retention, behaviour, trust, attention span and teamwork. With case studies from leading organizations across the public and private sector internationally, it will show you how to develop organizational performance, well being and a positive approach to adversity and change in your organization.

### Reviews

*The book is fantastic and great. It generally does not expense excessive. Its been designed in an exceptionally easy way and it is simply right after i finished reading through this book by which really changed me, change the way i think.*

-- **Adolfo Lindgren**

*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
