Xulon Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Eduardo Adame, ThD, wanted to find a way to share his biblical knowledge and help others discover the true meaning of the scriptures. This he did by researching the ancient manuscripts and transcribing them into biblical scripture format rather than prose format to encourage the reader to research the noted scripture verses. Part I of the book researches various aspects of God s Creations. Part II explores the Natural Creation of Man and Woman, while Part III researches the Spiritual Creation of Man and Woman. Parts II and III include references to additional scriptures, which allows the reader to make comparisons between the Hebrew and Greek manuscripts as well as the Old Testament and the New Testament scriptures. Eduardo Adame, ThD, received his Bachelor of Arts degree in 1975 from San Francisco State University with a major in Broadcast Management. He received the degree of Master of Theology from Summit University of Louisiana in 2000. After retiring from a career in higher education administration, his love for research and the study of the Bible and other biblical documents inspired Dr. Adame to pursue his doctorate in Biblical Theology from Summit University. He received his doctor of Theology degree in 2003. While completing his dissertation, he found that it was often difficult to comprehend the true meanings in the scriptures by simply reading various versions of the Bible.
