

Journey Into the Light

By Art Martin

Personal Transformation Press. Paperback. Condition: New. 256 pages. Dimensions: 9.0in. x 6.1in. x 0.7in. We here many people talking and writing about the path to enlightenment in many ways. The path to enlightenment is not just a deja vu experience through a spiritual practice where suddenly you enter a new reality in your life. It is a committed and very structured path. Many times we find our life is not working the way we planned it to manifest. Quite often we wake up to the fact that we have been practicing a spiritual ritual but it is not getting us where we want to be. You do not just step into your spiritual journey without some direction and preparation work to build a solid foundation before we embark on this path to enlightenment and evolution. Some people think they can jump over the foundation building which provides support to release all the skeletons emotional baggage that filled in our minds data base. It does not work that way. This is not the way the universal laws and spiritual principles have set up the path to enlightenment and transformation. Many paths lead to transfiguration but they all merge at some point into...

Reviews

This is actually the very best book i actually have read till now. This is for all those who state that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

-- **Mr. Jeramy Leuschke IV**

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
