This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

READINGS IN THE INTERNATIONAL RELATIONS OF AFRICA

Indiana University Press, United States, 2016. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. These readings in international relations in Africa grapple with the continent's changing place in the world. The essays confront issues such as the increasing tempo of armed conflict, the tendency of Western states and agencies to intervene in African settings, the presence of China, and the health of African states and their ability to participate in the global economy. Questions regarding sovereignty, leading regional actors, conflict and resolution, and the neoliberal African renaissance add to the broad thematic coverage presented in this timely volume.
