Brand New Book ***** Print on Demand *****.Book FOUR in the Summer Sisters series from New York Times and USA Today bestselling author Jean Oram! One hippie. One military hero. Two very different life philosophies. And one situation that will alter the path of destiny. Daphne Summer has always believed in the power of love and destiny. But she figures fate must have a wicked streak for sending Evander de la Fosse into her life. The steely-eyed, former military hunk of manhood won't leave Daphne's side after her ex-boyfriend utters what she believes are idle threats due to her sisters blocking his development across from their family cottage. She knows the man, the father of her five-year-old daughter, would never hurt her. But try convincing Evander. Evander de la Fosse knows going to war broke him. Now he's good for one thing and one thing only—stopping bullets meant for others. But as he shadows the single mother, Daphne, who always sees life as a bright and positive thing despite the odds against her, he finds himself wishing for the one thing the war took from him—real life. Will these two opposites find a way to see eye-to-eye so Evander can keep Daphne safe? Or will the culmination of the Summer sisters battle against Rubicore Developments finally come to a fatal head in Canada's Muskokas during the fourth book in this contemporary romance series? But most importantly, will Daphne and Evander be able to see each other's true side before it becomes too late to claim their chance at true love? This book contains book club discussion questions.
