During the last twenty-five years he has made careful and painstaking studies of the most approved methods to lure, and also of the habits of fishes. I believe we are on the verge of a revolution, both as to breeding and stocking, not only by the various States, but by private individuals who will take up fish culture as a commercial enterprise; while more advanced methods of taking fishes will be employed by means of better tackle and an intelligent use of it. It is over fifty years since the Jock Scott and silver doctor salmon flies were invented. Nothing in flies has been made since to equal them. On the other hand, marvellous strides have been made during the last twenty-five...
