Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hi-Kol, 1922 This year a new plan for outside reading was devised The books on mimeographed lists prepared for each semester are credited according to their length and value, and a minimum number of points is established as a requisite for passing a course. Pupils file simple reports on printed blanks. In the advanced work these reports are made more detailed and demand finer critical ability on the part of the students. The plan has proved so successful that a thousand copies of the books listed will be added to the high school library to take care of the demands which the public library could not fill. Members of the public speaking classes render constant service to the school in speaking before the home rooms and in the Auditorium in behalf of school enterprises. Each year they furnish several fine entertainments, finishing off their achievements with the Junior College Play in February and the Senior Play in June.
