Xlibris Corporation. Paperback. Condition: New. 48 pages. Dimensions: 8.6in. x 5.7in. x 0.2in. Introduction I would like to introduce a new and exciting concept to you and your child. Try to imagine traveling into another dimension. While sleeping, your soul drifts off to exciting future times. Your soul takes you to exiting new places. The purpose of this story is to do just that, except for one distinction. Instead of using any one of us, I chose to create a special being. This person is not meant to offend anybody; the concept of having a son of Jesus is designed specifically for the believability of soul travel. Wouldnt it be wonderful to have such a world where we could go into the future and teach, based on our experiences, whether good or bad If you believe that we dream at night, it should not be that big a leap to take it a little further, to say that we are actually living those dreams in another dimension. So as you and your child read this story, I would ask you to have fun, enjoy the messages and know that it is quite possible in anybodys mind to travel at night, while your body rests. I hope this book brings you and your child closer together. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
