Brand New Book ***** Print on Demand *****.Robert Morris, Jr. ((January 20, 1734 - May 8, 1806), a Founding Father of the United States, was a Liverpool-born American merchant who financed the American Revolution and signed the Declaration of Independence, the Articles of Confederation, and the United States Constitution. Along with Alexander Hamilton and Albert Gallatin, he is widely regarded as one of the founders of the financial system of the United States. Born in Liverpool, Morris migrated to the United States in his teens, quickly becoming a successful businessman. In the aftermath of the French and Indian War, Morris became a prominent opponent of unpopular British policies like the Stamp Act. He was elected to the Pennsylvania Assembly, became the Chairman of the Pennsylvania Committee of Safety, and was chosen as a delegate to the Second Continental Congress. He served as chairman of the Secret Committee of Trade and as a member of the Committee of Correspondence. Though reluctant to break with Britain, he ultimately came to support the independence movement and emerged as an important financier of the American Revolutionary War. From 1781 to 1784, he served...
