The Triumphal Chariot of Antimony. departments of experimental and medical chemistry, and, perhaps, as a bizarre speculator in the cloudy borderlands of physical science; but such biographical data as can be gathered concerning him from his writings, he would naturally accept without question, because there would be no ground for assuming any reason to doubt them. Yet even as such a person would be mistaken in his estimate of Valentine the alchemist, as distinguished from Valentine the investigator of antimonial therapeutics, so it is just possible that he would be astray in his estimate of the man, being misled by a veil of simplicity which skilfully conceals the adept under the unpretending mask of a monastic canon. When I had emptied to the dregs the cup of human suffering, I was led to consider the wretchedness of this world, so Valentine tells us in his preface to *The Great Stone of the Ages*, and the fearful consequences of our first parents disobedience.
