A storm of undead is coming to the Louisiana swamps. In the churning fury of the strong winds and rain of a natural disaster, an unnatural contagion is born. The sickness is carried within the storm surge s relentlessly advancing tide. As the first wall of the hurricane assaults the lush swampland, humans and innocent creatures are infected. Their resultant mutation brings with it an insatiable and shocking hunger. The savage herd of monstrosities goes in search of food. Guided by one-hundred and thirteen mile-per-hour winds at their backs, the gruesome horde slogs towards a small rural town known for its alligator tours. Stranded by the flooding in Lustre Perle, federal agents fight alongside local Cajuns against the horrifying and deadly invasion, and although they are from different worlds, they must overcome their prejudices, fears, and distrust and rely on each other if they are to survive. This original story by Victoria Champion is 54,000 words, and 202 pages. First Paperback Edition. Originally published as an ebook on Aug 16, 2014.
