Reviews

This ebook can be worthy of a go through, and a lot better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly easy way which is just soon after i finished reading this book where basically modified me, affect the way i really believe.

Pan Macmillan. Paperback. Condition: new. BRAND NEW, The Godless (Main Market Ed.), Ben Peek, Ben Peek's The Godless is the first in the Children Trilogy; an epic fantasy series with a gripping plot and unforgettable characters. The Gods have fallen but their powers live on .Fifteen thousand years after the War of the Gods and their corpses now lie scattered across the world, slowly dying as men and women awake with strange powers that are derived from their bodies. While some see these powers as a gift - most call them a curse. When Ayae - a young cartographer's apprentice in the city of Mireea - is trapped in a burning building, she is terrified as a dormant power comes to life within her. The flames destroy everything around her but she remains unscathed - fire cannot touch her. This curse makes her a target for the army marching on her home - an army determined to reclaim the body of the god Ger, who lies dying beneath the city, and harness his power for themselves. Zaifyr, a man adorned in ancient charms, also arrives in Mireea. His arrival draws the attention of two of the 'children of the gods', Fo and Bau, powerful, centuries-old beings who consider themselves immortal. All three will offer different visions for Ayae's powers - and whatever choice she makes will result in new enemies. Meanwhile, as the army approaches ever closer to Mireea, the saboteur Bueralan and Dark, his mercenary group, look to infiltrate and learn its weaknesses. Alone in a humid, dangerous land, they find themselves witness to rites so appalling they realize it would take the Gods themselves to halt the enemy's attack - and even they may not be enough.
