Book two in the fabulous Blackwood Clan saga, Fixtures Fittings is Marcus s story Rich, handsome, sophisticated, Marcus Blackwood has it all. Then tragedy turns his perfect life upside down, leaving him sole guardian of his young niece. Traumatized into selective muteness, Megan needs more than Marcus believes he can give her, but, what she needs most of all, is a home. Searching for the perfect house, instead Marcus finds Grace Lovejoy, an eccentrically hippy, single parent. Grace and her children are being forced to sell their beloved home. Using the connection between Megan and the Lovejoys, Marcus struggles to bring his little niece back from a very dark place. And then there s Grace . the complete antithesis to everything he s ever looked for in a woman. There s also a connection, a bond between them, that Marcus can t explain and is not even sure he wants. And all the time, the deadly consequences of trying to break through Megan s muteness creep ever closer. Sometimes, you have to choose, what to keep and what to leave behind. A heart-warming, romantic read, interspersed with real edge-of-the-seat action, Fixtures Fittings is one book you ll want to keep forever.
