Thames Hudson Ltd, United Kingdom, 1996. Paperback. Condition: New. Language: English . Brand New Book. Yet he did not ally himself with the other painters of contemporary life, the Impressionists, preferring to engage with a Realist tradition, and at the same time drawing on the art of the past--Raphael, Titian, Velazquez, Goya - to confront his own age. It was a provocative program and one which baffled the establishment In this freshly researched study Dr Alan Krell examines the artist s known intentions and the critical, sometimes bitterly hostile reception that he encountered. He sets Manet against Impressionists like Monet, Degas and Morisot, and shows how the artist s progressive social views - on sexuality, on the position of women, on the family--were expressed through a style equally modern , yet rooted in the European artistic tradition.
