

## A Guide for the Religious Instruction of Jewish Youth (Paperback)

By Isaac Samuele Reggio

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Guide for the Religious Instruction of Jewish Youth is a classic Jewish studies text by Isaac Samuele Reggio and M. H. Picciotto. IN the exercise of the sacred mission entrusted to you by Providence--that of educating our youth to piety and religion--it must have frequently occurred to you, to wish that such an instruction could be imparted, not in the shape of dogmas demanding to be admitted without investigation, but as doctrines addressed to the intellect by proper demonstrations, and finding their way to the heart by stimulating its noblest feelings. The little book that I present to you is intended to satisfy, at least in part, that wish. You will not find in it a complete treatise on Jewish Theology, or a systematic catechism, but only the essential elements, which may serve to the future elaboration of both.
